

Registration Form

When started Database Health Monitor without a registration code, you will be prompted to register. It is as simple as just filling out the form and clicking submit.

The screenshot shows a window titled "License Missing or Expiring Soon" with a close button (X) in the top right corner. Inside the window, there is a text box containing the message: "Your license code is missing or expiring soon. Would you like to request a new license code?". Below this, the text "Current license code missing." is displayed. A section titled "Request License Code" contains three input fields: "First Name:", "Last Name:", and "Email Address:". A red rectangle highlights these three fields. Below the input fields is a checkbox with the text "Allow us to send you emails relating to Database Health Monitor and Stedman Solutions, LLC.". A red rectangle highlights the checkbox. Below the checkbox is a button labeled "Request Updated License Code", which is also highlighted with a red rectangle. At the bottom of the window, there is a text box containing the message: "Enter the information above to request a new code. Your code will be saved and displayed here.". In the bottom right corner of the window, there is a button labeled "Done".

Once you fill out the form it will look something like this and the updated registration form will have been saved in your local configuration file.

License Missing or Expiring Soon

Your license code is missing or expiring soon. Would you like to request a new license code?

License Code Updated: **1_201604060705**

Request License Code
