

Settings Dialog

The image shows a screenshot of a software window titled "SettingsDialog". It has a light blue title bar with a standard Windows icon on the left and a close button (X) on the right. Below the title bar is a tabbed interface with four tabs: "Refresh", "Thresholds", "SQL Servers", and "Tech Debt". The "Tech Debt" tab is currently selected. Inside the "Tech Debt" tab, there is a section titled "Technical Debt Type" followed by the text "NOLOCK hint used". Below this is a list box containing various technical debt items. The item "NOLOCK hint used" is currently selected and highlighted in blue. To the right of the list box, there is a checkbox labeled "Disable Check" which is currently unchecked. Below the checkbox is a text field labeled "Point Estimate:" with the value "15" entered. Below the list box are two buttons: "Enable All" and "Disable All". At the bottom of the dialog, there is a section titled "Cost Variables:" with two text input fields. The first field is labeled "Average points per hour fixed:" and contains the value "20". The second field is labeled "Average hourly cost for those fixing debt:" and contains the value "50". To the right of these fields is a note: "Enter whole numbers, no decimals and no currency symbols." At the very bottom of the dialog, there is a footer area with the text "More Information, visit:" followed by a URL: <http://databasehealth.stevedman.com/Settings-Dialog>. To the right of the URL are two buttons: "OK" and "Cancel".
